This two-day "Beyond the Basics" Dental Sleep Medicine program will contain Inspirational Group Lectures. Additional Breakout Focus Groups will provide personal, practical, interactive, and hands-on learning to help build your dental sleep team. Medical insurance will be discussed to address the benefits, influence and challenges to dentists treating sleep disorders with oral appliances.

Dental Sleep Medicine and an Airway Focused Practice: A Beyond the Basics, Hands-On, Practical Program

Lectures and Breakout Focus Groups for Personalized,
Hands-On, Practical Learning

- Group lectures
- Breakout groups
- Medical Billing
- Hands on learning
- AASM / AADSM Guidelines
- Trouble-shooting challenges
- Tips to improve results

GUEST SPEAKER DR. MARK ABRAMSON

MARK ABRAMSON DDS, ABDSM, Diplomat of the AAOP, APM, AADSM, Executive Board Member of AAPMD and a Fellow AACP. He has a private practice in Redwood City & Sleep Practice in a Cardiology office in Monterey, California. Dr. Abramson is on faculty with Stanford University and developed the FDA cleared OASYS Oral/Nasal Airway Systems.
